## English Express Beginner Workbook

eBook | PDF (16MB) | 192 pages | Individual or Team Licence

The English Express Beginner Workbook is a topic-based workbook for adult learners of English. It is ideal for learners at beginner level. They may already know the letters of the alphabet, say numbers up to 10, sight read a few words, and greet people. But they may not yet be able to interact in everyday situations, such as buying a coffee or making a medical appointment.

There are 9 topics in the book which present language in the context of everyday situations and texts. Each topic is accompanied by several animated videos, which help the learner develop their listening and pronunciation. The videos are conveniently hosted online. The book is set in an Australian context, however, if you are in a different country, the book may still be very useful to you.
